The teams are waiting on the contractor to do the fencing. And then they will schedule the cleanup. I will follow up with the managers on the waste water side and ask them the status of the fencing.

Hi Sarah,

I drove by today and noticed that there are more encampments that are trespassing at the pump. Please refer to the attached pictures.

Additionally, there is an RV and 1 sedan taking shelter in the parking lot as well.

Can we please send out a team to address this as soon as possible?

Thank you for your help,

They are working on it along with all of their other requests. They have asked their contractor for an estimate for the fence and are working to schedule a date.

Hi Sarah,

Thank you for that information.

Could you please provide me with an update?

I drove by today and there were still encampments within the water station.

All the best,

Hi Sarah,

I have attached a picture of a water pump across the street from
[7618 Woodman Ave.](#)

I wanted to put it on your radar as there are currently 2
encampments within the property.

There also seems to be an RV taking shelter within the
surrounding parking lot.

Could you please confirm whether or not this property belongs
to Sanitation?

If so, can we please send out a team to address this matter.

Please let me know if there is anything our office can do to help.

Thank you,
